Notes for Contributors

All articles should be emailed to the editor at editor@shamleygreen.net by the 9th of the previous month. If this is not possible please contact the editor, Christine King on 537608, for individual negotiation.

Articles should be submitted as follows:

- In Arial font (easy to read)
- Size 10pt for text and 14pt for heading
- Justified both sides for text
- Centred and **bold** title (mixed case)
- Any tables should be discussed with the editor, as these do not always transfer to Publisher
- Original MS Office documents preferred to '.pdf's, which may distort when resized
- Photographs in .jpeg format and should not exceed 2 megapixels

You or the organisation you represent must hold the copyright to the image, i.e. you or they own it: unless told otherwise we will assume that you/they do so.

Please include photos where possible to grab readers' attention!

Adverts

Please contact Karen Anderton (details inside front page). Please email us 'camera-ready' adverts in .pdf, .jpeg or .doc format after agreeing fees with Karen.

NEIGHBOURHOOD WATCH

The main issue remains lack of reporting minor crimes, please help support our village and ensure you report issues and not ignore them. This can be done in confidence to Surrey Police on:

101 (the national non-emergency number) or
<http://www.online.police.uk/english/default.asp>

As always in an EMERGENCY dial 999

If you want to give information about a crime or criminal activity without giving your name you can call the independent charity: **Crimestoppers on 0800 555 111**

When the going got tough...

As we prepare for our church annual meetings next month, we look back over the past year with deep gratitude for all who have supported and resourced us: when the going got tough, the faithful got going. Due to the COVID-19 pandemic, it was a year like no other and, as in many other areas of life and society, there was a significant financial impact. For many weeks we were unable to hold services in church and when we were allowed to resume, it was with numbers restricted to under thirty, resulting in a loss or decrease in cash collections. Weddings and baptisms were cancelled or postponed, with a consequent loss of fees and donations. From March 2020 onwards we have also been unable to let our halls, with the accompanying loss of income. However, due to the large number of our supporters who donate via planned giving and standing orders (or the Parish Giving Scheme), we have been able to cover all our running costs, including general maintenance and repairs, to fund the new costs of additional technology in order to provide online services and meetings, as well as to support the work of other charities and projects (all suffering from severely reduced income in the face of increased need due to the pandemic).

Thank you to all who have loyally supported us during such challenging times and to those who have supplemented this with one-off donations, particularly where your own finances have been affected by the current situation.

In 2020, in addition to our running costs, we also completed the following:

⇒ felling of a diseased tree on the edge of the main road	£1770
⇒ purchase of a new heavy-duty hedge cutter for the churchyard	£464
⇒ external and internal redecoration and partial refurbishment of the Church Hall	£15 639

The latter was entirely funded from two considerable legacies, donations following funerals and the proceeds of a concert held in the autumn of 2019. If you would be interested in making a donation in memory of someone you love or leaving us a gift in your will, please do get in touch (contact details below).

The Annual Parochial Church Meeting, at which the financial statements and accounts are presented, was delayed last year according to national church guidance and eventually permitted to take place by Zoom in October. This was advertised via the weekly church email newsletter and on the website, as well as the church noticeboards, and hard copies of the Annual Report and Financial Statements were distributed to those who requested them. We have already received notification that, if we are still operating under COVID restrictions, the 2021 meeting can also take place by Zoom or, should we have an internet provision at church by then, as a hybrid meeting, i.e. some attending in person with others joining by Zoom.

At this stage, we are in a healthier financial position than we expected but the full impact of the coronavirus crisis has yet to be felt and there is no doubt that, had we not had the commitment of our regular donors, we would be facing some difficult decisions right now. As it is, we look forward to the relaxation of restrictions gradually enabling us to restart our activities and resume those aspects of our ministry and community involvement which have been on hold. We want to continue to serve our village and parish in the future and we look to you for your ongoing help in doing so.

If you would like any further information about supporting Christ Church, please contact:

Treasurer Tony Robinson 01483 229141; tonyandmandyrobinson@btinternet.com
Planned Giving Officer Nick Russell-Davis 01483 890719;
nrusselldavis@compuserve.com

or *Legacy Officer* Joelle Tamraz legacies@shamleygreen.net.
You can also find details on our website www.shamleygreen.net under 'Supporting us'.

With warm wishes,

Sally.

Sally Davies, Vicar.

CHRIST CHURCH NEWS

WORSHIP AND PRAYER

Our church remains open during the day for private, individual prayer. Please note you should avoid mixing with people not part of your household or support bubble.

Sundays: we continue to celebrate a shortened service of Holy Communion at 10am in church. Face coverings are worn and social distancing is observed.

Online: we continue to provide a weekly recorded service (links in the newsletter and on our website or available via YouTube) and special one-off services for the seasons or special events.

Children, young people and families: you are invited to use the free resources offered weekly by ROOTS (link provided in the vicar's newsletter). Our group leaders will also keep in touch while we are unable to meet in person.

Check our website for updates and any changes.

Annual Meeting of Parishioners and Annual Parochial Church Meeting (APCM) Sunday 23rd May in the Jubilee Room attached to the church after the 10am service or at 11.30am by Zoom

At these meetings parish church officers are elected or appointed and reports and accounts are presented for the past year. NB Only those on the electoral roll of the parish or who live in the parish and are on the register of local government electors are entitled to vote at the first meeting at which the churchwardens are elected; only those on the electoral roll of the parish are entitled to attend and vote at the APCM when we will be electing members of the Parochial Church Council (PCC). If you would like to go on the electoral roll, please contact Roger Penny 01403 752042 roger@penny1.myzen.co.uk. **If you would be interested in serving as a church warden or member of the PCC, please speak to the vicar as soon as possible.**

Donations to the church

As with many other organizations, charities and businesses, our income has suffered during this time. A big thank you to all our donors who have continued to support us with regular and one-off donations. If you would like to join them, you can make one-off contributions via our website www.shamleygreen.net or direct to our Shamley Green PCC Donations Account: Acc. No. 30638712 Sort Code 60-06-19. If you would like to know how you can support our village church through regular donations by standing order, through a legacy or how to increase the value of your donation by Gift Aid, please contact one of the following: Treasurer Tony Robinson (01483 229141; tonyandmandyrobinson@btinternet.com), our Legacy Officer Joelle Tamraz (legacies@shamleygreen.net) or our Planned Giving Officer Nick Russell-Davis (01483 890719; nrusselldavis@compuserve.com)

Good Friday at Christ Church

Members of Christ Church gather around the Cross on Good Friday to pray for our village and parish, celebrating the new life and joy of Easter despite ongoing COVID-19 restrictions.

Shamley Green Gardening Club

Having not had an AGM last year, the SGGC committee decided it was important not to miss another year, despite continuing Covid restrictions, so the AGM for 2021 took place by Zoom on 6th April. Forty-two members were present with some apologies from others who were unable to use Zoom.

Chairman Tony Hodgson gave his report, touching briefly on the activities of 2019 and the effect the pandemic has had on us as gardeners. He went on to give a resume of his time and activities as chairman of the Club since its formation, but felt it was time to step down. He was sad to be leaving the position and the Club but wished members well for the future.

The election of officers followed, with Linda Penny being voted in as the new chairman and Aurelle Tomkins and Glynis Drummond continuing as Secretary and Treasurer respectively. Those committee members willing to stand again were elected en bloc.

Linda Penny expressed thanks to the retiring chairman for all his work over the last 15 years and was pleased to announce that the committee had awarded him with Honorary Life Membership, a first for the Club. Tony's wife Penny was then detailed to sprint upstairs to Tony's study to present him with a gift from Club members of two engraved silver wine bottle coasters (bottles of wine having been delivered earlier!)

She then thanked the second retiring committee member, Joyce Clark. Joyce has been an extremely diligent and efficient membership secretary for 9 years and will be missed, but is remaining a member. Committee member Gwen Ward has offered to take over as membership secretary for which she was thanked.

Two new committee members were elected: Jane Lovett and Ruth Dixon, both very welcome.

The meeting concluded with information on plans for the coming year which, hopefully, will see the resumption of meetings in the Hall and visits to gardens, together with the annual show and CHRISTMAS PARTY!

Linda Penny

Shamley Green History Society

In a spirit of optimism your Committee and Marion May in particular are working on the assumption that monthly meetings in the Arbuthnot Hall, with distancing, will be able to start in September and could accommodate up to 35 members. The following talks have been provisionally arranged:

Tuesday September 7th Talk on Edwardian Cranleigh, by speaker Joy Horn
Wednesday October 6th Talk on Archbishop George Abbott by Nicholas Bale
Wednesday 10th November Talk on the Wey and Arun Canal and recent work and additions to its restoration.

Two of these talks have been taken from last year and we are hoping to use the remaining ones next year.

The Plaque to go up in the village hall commemorating the evacuation of London children to Shamley Green in 1939 is ready as soon as current Beatrix Potter Head Teacher Steph Neale fixes a date.

The photograph shows the young Londoners suddenly finding themselves in the village, 82 years ago.

The Village Fete is scheduled for Saturday 10th July, for which Marion May is preparing a display of old rural crafts at our History Society stall.

Contributions to the Parish Magazine, and to the village website **shamleygreen.net**, continue, together with e-mail reminders by our Secretary Valerie Esplen, and notices on our noticeboard outside the shop. My Annual Report, normally given at our Annual General Meeting, has been sent to all members; please let our Secretary Val Esplen know if you have not received yours. Our Treasurer Nick Russell-Davis's annual accounts will also shortly be available.

The Arbuthnot Hall Planning Appeal

The Hall committee received the result of their appeal from the Planning Inspectorate on the 30th March.

The Inspector upheld the decision arrived at on 29th July last year by Waverley Borough Council to refuse planning permission. The main reasons given were inappropriate development on Green Belt and the new hall being materially larger than the one it replaces.

Tony Hodgson

The Arbuthnot Hall Management Committee

Members wanted

At the Hall Committee AGM in late April, several members of the Hall Management Committee gave notice of their intention to retire from the Committee. This being either after serving out their agreed tenures as members, or deciding that after the time they have now served, it is time to move on. They have to-date served a total of 60 years in their respective committee roles.

They are:

Tony Hodgson	Chairman	for 21 years
John Willis	Treasurer	for 11 years
Neil Harding	Elected Member	for 16 years
Gary Wicks	Elected Member	for 7 years
Jonathan Jenner	Co-opted member	for 5 years

In order to ensure a smooth transition to a committee comprised of fresh faces, but to keep continuity in the running and upkeep of the Hall, the members leaving have agreed to stay in position for a further 3 months.

The Hall is an important and central element of our village, and it is important to keep it maintained, and available for use, so we are hoping that some of those members of the local community who also share this view will step forward and offer their time as those leaving have done up until now.

Anyone interested in joining the Committee can contact the Acting Chairman, Tony Hodgson on:

01483 898 779 or email him at thodgson@uwclub.net

Thank you, on behalf of the Hall Management Committee.

Church Hall (formerly used by the Montessori pre-school) available for hire Monday to Saturday and Sunday afternoon for group classes, eg fitness, art, well-being, pre-school, toddler groups, crafts, hobbies or other activities. Hire of the Hall (12 x 6 sqm) includes kitchen, toilets and storage with parking available across the road.

For enquiries, please contact the Lettings Secretary at lettingsec@hotmail.co.uk

Recording Wildflowers in Shamley Green - Can You Help?

'Where flowers bloom so does hope.' Lady Bird Johnson

Many villagers walk around the commons and open land in Shamley Green regularly, perhaps even more than before in these Covid times. Many native plants in UK have become scarce or lost in recent years for a variety of reasons, and all over the country moves are afoot to try to reverse this. The Shamley Green Environment Group thought it would be a good idea to create a record of what wildflowers we already have to indicate how we can move forward and try to increase biodiversity for future generations. You don't need any expert knowledge to help!

Staggeringly, over 97% of British meadows have been eradicated since the 1930s. As a result, many iconic wildflowers such as ragged robin, harebell and wild orchids are threatened. Dr Trevor Dines of Plantlife said: "The steady, quiet and under-reported decline of our meadows is one of the biggest tragedies in the history of UK nature conservation."

Over 1,400 insect species rely on wildflower meadows for survival. They help to

maintain a healthy ecosystem with hedgehogs, birds and bats eating the insects that breed there. There is no doubt that the collapse of biodiversity on our open land has contributed massively to the downward spiral of butterflies, bees and insectivorous birds seen in the past few decades.

A few months ago we asked if longtime residents could remember wild plants which used to bloom in the village but are no longer widespread, or have disappeared. And all those who responded lamented the loss of biodiversity and habitat, and said they'd love to see more wildflowers on our verges and common land again.

In common with most councils around the country our parish is experimenting with less mowing of common land in future. Excessive mowing in our lifetime has played a big part in the decline of the natural environment under our watch, as explained eloquently by TV gardener Monty Don in recent months. Less mowing means that species which have not had a chance to reproduce in recent years will be given a chance and may reappear in time. But this could take some years, and the kind of iconic meadows which can be seen on chalk land will not suddenly appear here as our conditions are very different. In the immediate vicinity of Shamley Green the soil is mostly acidic and sandy.

In Shamley Green, apart from mowing changes, the environment group is hoping to give nature a helping hand later in the year by planting wildflower seed, plugs or turf in a few trial areas. The selection of plants to suit our conditions will be based on professional advice.

In the meantime we thought it would be a good idea to try to make a basic record of existing wild flowers in the village through the year, both on common land and other public areas. Few of us have expert knowledge but with modern technology (there are many plant ID apps), not to mention reference books, they can usually easily be identified by anyone. We ask that if people on their walks look for flowers on commons or verges and try to record them - the name (if they know or can find out), the location, and the date. It would be helpful to take a photograph to aid later identification. Both our schools are already doing a lot on environmental issues and are involved in this project.

The observations and photos (jpeg file for photos please) could be sent to Glynis or Alison. And members of the Shamley Green Environment Group will put them on the forthcoming village environment website (watch this space) and eventually on a map. This would produce a record of what we already have to help guide us in safeguarding nature for future generations. Please do what you can to help.

Thank you Glynis Drummond (glynisdrummond@me.com)

Vacancy in Shamley Green Ward

Wonersh Civil Parish Council currently has a vacancy in the Shamley Green ward. And will be looking to co-opt a Councillor shortly.

Please get in touch with the Clerk (details above) to find out more and to express an interest.

Community Room in Garden Close, available to hire through the Parish Council

The Parish Council are keen to see greater use of this facility and other facilities within the Parish, reflecting the vibrant and friendly community we live within.

We will be offering reduced rates for residents of Shamley Green and regular bookers. If you want to know more, or to book the space, just get in touch with the Clerk, 01483 892601, clerk@wonershparish.org.

200 Club April/May Update

At the time of writing, we are still in Lockdown, but it looks like things are beginning to ease a little. By the time you read this, we may even have been able to meet up with friends and family in limited doses.

So, herewith a brief update on the 200 Club, just to keep you informed as to what we've been up to since our last update, in January.

As lockdown restrictions began to ease at the beginning of April, the April Monthly Draw was held face-to-face, for the first time since December, albeit at a safe distance.

Congratulations to the lucky winners (see elsewhere in this Magazine).

Our earlier initiative to open up a new bank account with on-line facilities has paid off, with most prizes now being paid by BACS. This helps us in not having to write/post cheques, and members, in not having to visit their bank. We still encourage anyone who is paying their membership fees into the old (Lloyds) account to move to the new (NatWest) one. Please contact Neil Harding for details.

In hindsight, we made the right decision to delay our 2020 Annual Lunch, and will make a decision regarding 2021's lunch, in due course. The health, safety, and wellbeing of our members is our main concern, and any announcements will be made via email (for those who have provided their address) and this magazine.

The Hall Committee's appeal against the refusal of Waverley BC to pass the planning application for the re-development of the Hall was rejected in early April.

As in the past, throughout previous phases of the Hall's development and evolution, the 200 Club will continue to raise funds for the maintenance and upkeep of the Hall, as it has done since 1974.

We have lost some members over the past year, so if anyone reading this would like to join, or knows someone else who would, please do get in touch (details above).

Thank you again for your continued support, keep well, and stay safe.

Neil Harding

Two Heads Are Better Than One...

Or in the case of the newly formed Chantries & Pewleys Estate Agents, three heads!

Chris Dean, Anthony Brown and Richard Prynne have led their two respective local and independent companies, Chantries and Pewleys, for the last ten years, positioning themselves through hard work, dedication and in-depth local knowledge, as highly respected market leaders.

Now it's time for the next chapter in their story and so the two firms have merged to form Chantries & Pewleys Independent Estate Agents.

With 20 staff operating out of three offices – Guildford Town Centre, Merrow and Shalford – they are able to offer their clients unrivalled local coverage and a wealth of experience in the local market.

If you are thinking of selling or renting a property and would like sound, professional advice based on years of experience in the Guildford market, then please get in touch with your local office today!
