

YOUR CORNER

- what's been happening in your corner of the world;
what our children have been getting up to

Planting sunflower seeds we
sent to our Parent, Baby &
Toddler Group
on their Easter cards...

and channelling their
inner Julie Andrews:
'The (Surrey) Hills are alive
with the sound of music'

'Climb every mountain stile'

Home-schooling:
creating their own artwork...

... delicious treats

and a fantastic
model of the solar
